Humble appeal to all my Dear friends, It is learnt that 95% of the serving and retired Accounts staff have got their 5400 NFUG with arrears...

You all know the way we struggled & keep moving ahead with a very positive approach for the last ten years... Especially, right from the inception of this group we emphasised much more to put pressure on Administration time and again and roll back to realistic implementation of NFUG order' otherwise, the same was conveniently placed in a cold storage by way of communicating MoF to de link our issue!!

Ultimately, it's the hard work of AIRASA under the leadership of Mr. Partho Bhattacharya President, Mr. D. Nageswara Rao Working President Mr. Reji George General Secretary, Mr. Nirmal Mandal Secretary Finance, Mr. Chandra Sekhar AGS and their dedicated team.

At present we are badly need of funds. You all might know that our Bank Account at Mumbai is kept on hold for reasons well known to you. We are neither to take money nor spend for AIRASA.

The very foremost burden is to give fee to our Advocate at Delhi besides for filing a contempt for 5th PC arrears. We have also spent a lot from our Pockets in the last ten months....

So as a temporary and emergency measure we have opened a bank account in "Bank of Maharashtra, Mumbai vide SB Account no 60397484729 IFS code MAHB 0000310" All India Railway Accounts staff Association, Boribunder Branch.

Hence we request our people who have got their 5400 and arrears to contribute liberally to this account towards Donation/Corpus etc. You may contribute any amount, but the minimum should be Rs.2000/- to 2500/- to tide up the present financial crisis and strengthen our Association in order to fight various court cases.

People who have retired before 1-1-2016 may also contribute an amount of Rs.1000/- or to their choice as we are fighting Stepping up of GP for them from 1-9-2008. You may remit Online through Internet banking...

Our Central Office bearers may also collect Offline with the permission of GS/AIRASA. Amount collected should be remitted to Bank immediately and also brought to the notice of GS.
