

Chennai
15.07.2017

To,
Shri A.K.Chaturvedi
Joint Secretary,
Implementation Cell,
North Block,
New Delhi.

Respected sir,

Sub: Implementation of recommendation of
Seventh CPC for Indian Railway Account
dept.

Ref : Ministry of finance's gazette notification
dated 25/07/2016

Kindly recall the personal discussion that I had with
you on 24-10-16 in your chamber on the above subject.

It is learnt that the Finance Ministry had referred the
matter to DOPT to get a more comprehensive view on the
above subject.

Meanwhile the Railway Board had sent the file to
DOPT vide Lr. No. PC V/2016/MACP/1 dated 9-9-2016
addressed to Director E1, Mrs. G. Jayanthi of DOPT
office by Dy. Director EDPC Railway Board Mr. N.P.
Singh. As no fruitful results have come up till date, your
good self is humbly requested to take follow up action.

The Seventh CPC Vide para 11.40.82 & 83 have
recommended for Indian Railway Accounts Dept. that Sr.
Section officer / Accounts / Sr.TIA / Sr. ISA who are in

grade pay of Rs 4800/- should be upgraded to Rs.5400/GP after completion of 4 years as Sr. So (A), Sr. TIA / Sr . ISA to maintain the complete parity with the CSS's Section officer who are at present Rs.5400/- (PB3) after Completion of 4 years of service by downgrading them to Rs.5400/- (PB2) after Completion of 4 Years of service vide para No 7.14 (b). But Govt of India has not downgraded the CSS Section officer to Rs.5400 (PB-2) keeping them in present status. It is surprisingly noted that in case of Railway Accounts, the matter has been referred to DOPT for further examination of review. It is not understood as to why the recommendation of Seventh CPC has not been accepted for Railway Accounts Cadre as well as Organized Accounts Cadre although Sr. Supervisor of above department have passed the stringent departmental examination and due to that their job rating is more than that of Section officer of CSS as opined by Indian Administrative staff College / Hyderabad. In sixth CPC on account of MACP, Junior of the same cadre even below cadre is drawing more pay than Senior in same cadre / just higher cadre. To obviate the anomaly the matter was highlighted before Seventh CPC in detail and accordingly, Seventh CPC has recommended for stepping up of pay for Senior at par with Junior vide para no 11.40.80 of chapter Railway Accounts. It is particularly prevailing in Railway Accounts department as well as Organized Accounts cadre. So to remove the anomaly the recommendation may be implemented on account of non-rejection of recommendation by Cabinet.

Seventh CPC vide para no 11.62.14 of chapter 1 A & AD have recommended that an employee who has been directly recruited as Jr. Accounts Asst / Auditor / Accountant in Graduate Quota (Combined Graduate level examination followed by written test and interview at the time of recruitment should be placed in GP 4200/- equivalent to Accounts Asst / Sr. Accountant / Sr. Auditor due to placing them in

higher stage on account of merit. This recommendation should be implemented due to non - rejection of recommendation by Cabinet.

In view of the above, it is highly solicited to you that the above four recommendations as enunciated in above three points should be implemented for extending the benefit of CSS pattern, removal of blockage of promotional avenue of Sr. Supervisor and also for getting further MACP benefit as per DOPT's Master circular 2008 and eradicating anomaly between Junior and Senior on account of pay for Railway Accounts cadre as well as Organized Accounts cadre.

We hope that your kind intervention on the subject issues will definitely resolve the matter at the earliest.

with kind regards.

Yours sincerely

REJI GEORGE

Gen. Secretary
