

Dear Friends,

The Financial position of AIRASA is very weak. In spite of several requests, we are not receiving any contribution from many Railways and Divisions. Many of the staff when contacted for funds expressed their willingness to contribute any amount for AIRASA, but there is no one to collect the amount. The President, GS and Secretary Finance of AIRASA therefore feels that the best option is to directly credit the amount to AIRASA current account vide

SBI account no 35275392197 IFS code SBIN0001821 Churchgate Mumbai by 15-2-19. Those who are coming to Chennai for the AGM on 4-3-19 may hand it over to the Secretary Finance Mr. Nirmal Mandal. The President, GS and Working President are frequently traveling to Delhi and other places to pursue the pending demands of the Accounts staff. The matter may be treated as most urgent.

From,
Regi George
(GS. AIRASA.)
